MEMORANDUM FOR: DCI

FROM : PB/NSC Coordinator

SUBJECT : Presidential Briefing

25X1A

1. Your next briefing is still scheduled for Wednesday, 2 July. Assuming that the major subject you will cover will deal with your recent trip, we will type up any talking points you may have, have them circulated while you are on your trip to Hartford, and be ready for the first pre-brief on Friday, 27 June. Regarding this briefing, are there any particular graphics you have in mind? Some possibilities have occurred to us, but we didn't want to get too far out in front until we had a sense of what it was you wanted to cover [redacted]. [redacted]

2. In looking over the possibilities for "filler" items, several things come to mind:

a. [redacted]

3. Are there any other "filler" items that you would like to have pursued (we are talking with [redacted] to see if there is anything beyond that in the current publications on the situation in Kampuchea-Thailand which is worthwhile discussing with the President)?
